EXPERIENCE

GOOD1 Studios | Lead Sound Designer (Full-time)

SEP 2021 - PRESENT

- Lead audio production within a six-person remote team, owning direction, asset creation, implementation, and delivery for *Deadline Delivery*.
- Designed and implemented **1,000+ sound assets** and built an adaptive Wwise vehicle system driven by RTPCs, Switch Containers, RPM, and gear-state logic.
- Implemented and debugged Unreal Engine Blueprint systems while supporting gameplay and level-design iteration.
- Composed, mixed, and mastered original soundtrack material that defines the game's sonic identity.

What Is This Studio Ltd. | Sound Designer (Contract)

JUL 2024 - OCT 2024

- Established the end-to-end Unity (C#) and Wwise pipeline for *What Is This Sorcery*, including event mapping, bank architecture, and Addressables.
- Designed and implemented the game's sound and music systems from the ground up; improved the C# integration workflow and **reduced integration time by 30%**.

Riot Games | Music Producer (Contract)

JUN 2023 - SEP 2023

- Produced interactive music stems for *VALORANT* in-game environments and delivered musical elements aligned with the team's creative and technical direction.

Artlist | Music Producer (Contract)

APR 2022 - MAR 2023

- Created release-ready catalog music for a sync-licensing platform partnered with brands including Adidas, Nike, IKEA, Netflix, and Adobe.
- Collaborated with artist-management teams and released multiple tracks through the Artlist catalog.
